About Eric

Raised with the values of initiative, teamwork, and leadership, Eric's story is one of dedication and vision, deeply rooted in the traditions of community and progress. Currently, involved in business initiatives in agri-tech, logistics and mining services.

Education and Foundations

Eric's academic path began at Michaelhouse High School, where he not only completed his matric but also served as a Prefect, demonstrating early signs of leadership. He then pursued higher education at the University of Cape Town, earning a Bachelor's Degree with majors in Industrial Sociology, Politics, and Governance. His thirst for knowledge led him to further complete a Certificate in Business Development & Management and a course in Financial Analysis in 2022.

Skills and Values

Eric embodies the spirit of the village through his skills: initiative, teamwork, diplomacy, dedication, and leadership. These qualities have guided him through various professional and entrepreneurial ventures.

Professional Journey

Eric's professional journey is a testament to his entrepreneurial spirit. He learned his robes in various corporations where he was able to showcase his ability to manage and lead. His vision extended further as he co-founded ERAN Africa in 2020, where he continues to serve as Director. He also holds directorial positions at Chankuzo SHE Solutions (Pty) Ltd and Arlo Group (Pty) Ltd, both established in 2021 and 2022 respectively.

Professional Training

In 2020, Eric participated in the KBN Ignite Entrepreneurship Programme, further honing his business acumen and reinforcing his commitment to innovation and community upliftment.
