About Thato

A proud product of Sacred Heart College, Thato's roots are grounded in a culture of community, resilience, and excellence. His journey from the dusty playgrounds of his youth to the polished boardrooms of multinational corporations is a testament to his dedication and the values instilled in him by his upbringing.

Academic Foundations

Thato pursued his academic dreams at the University of the Witwatersrand, earning a Bachelor of Accounting Science in 2017, followed by a Postgraduate Diploma in Accountancy in 2018. These achievements laid the groundwork for his professional journey, equipping him with the knowledge and discipline to navigate the complex world of finance.

Professional Journey

Thato's career took flight at Ernst & Young Inc. in Sandton, Johannesburg. As a Chartered Accountant (CA(SA)), he quickly rose through the ranks, demonstrating a remarkable ability to lead large teams and manage high-stakes projects. From auditing multinational companies in mining, retail, and telecommunications to implementing Sarbanes-Oxley Act (SOX) controls, Thato's expertise became widely recognized.

In his role as Audit Manager, he mastered the art of planning and budgeting, ensuring projects were delivered on time and within budget. He provided mentorship to trainees, managed engagement teams, and ensured compliance with financial regulations. His analytical skills and attention to detail were instrumental in identifying risks and improving processes.

As Assistant Manager, Thato focused on financial reporting and process improvements. He reviewed financial statements for IFRS compliance, analyzed consolidation processes, and provided strategic recommendations to enhance financial operations. His tenure as a Trainee Accountant further honed his skills in auditing, tax compliance, and financial analysis.

Skills and Interests

Thato's journey is not just defined by numbers and reports. He is a relationship builder, a communicator, and a mentor. Fluent in English, Sesotho, and IsiZulu, he bridges cultural divides with ease. His technical expertise in IFRS and the Companies Act is matched by his passion for continuous learning and community upliftment.

A Legacy in the Making

Thato Madiehe's story is one of perseverance, excellence, and cultural pride. From the village values that shaped his character to the corporate corridors where he now thrives, Thato remains a beacon of inspiration. His journey continues, rooted in tradition, driven by ambition, and guided by a vision to make a meaningful impact in every space he occupies.
